

Hangar Application/Waiting List Memorandum

I hereby request to lease from Perry Houston County Airport Authority a hangar compartment on the Perry Houston County Airport for the storage of an airworthy aircraft owned by me, as soon as such hangar space becomes available.

I understand that it is incumbent on me to ensure my contact information remains current. I further understand that if I fail to respond to the Authorities notification of an available hangar space within 48 hours the available hangar will be offered to the next person on the list. I will retain my position on the list until a second time the Authority is unable to contact me with an available hangar. In the event of a second occurrence I will be removed from the list and will have to reapply.

Upon notification of an available hangar I have the option to defer accepting an available hangar one time (for up to 6 months) after which I will lose my priority and be moved to the bottom of the list.

- Open Hangar Compartment (paved floor, sheltered by waterproof roof, but no side walls, sufficient for one single-engine airplane
- Enclosed Hangar Compartment (paved floor, waterproof roof, completely enclosed side walls, and lockable doors. Sufficient for one single engine airplane
- End Compartment/Oversized Enclosed Hangar (same as enclosed compartment, but either located at the end of the building or specifically designed larger for multi-engine airplanes.
- Corporate hangar. (Large enclosed hangar capable of accommodating several aircraft in a single hangar not private space separated by walls.
