

Hangar Application/Waiting List Memorandum

I hereby request to lease from Perry Houston County Airport Authority a hangar compartment on the Perry Houston County Airport for the storage of an airworthy aircraft owned by me as soon as such hangar space becomes available.

Hangar applications must be accompanied by a \$200.00 non-refundable deposit, which will be applied to the first month's rental of the accepted hangar. Hangar application date will not be valid until receipt of the deposit.

I understand that it is incumbent on me to ensure my contact information remains current. I further understand that if I fail to respond to the Authorities' notification of an available hangar space within 48 hours the available hangar will be offered to the next person on the list. I will retain my position on the list until a second time the Authority is unable to contact me with an available hangar. In the event of a second occurrence I will be removed from the list and will have to reapply.

- Open Hangar Compartment (paved floor, sheltered by waterproof roof, but no side walls, sufficient for one single-engine airplane
- Enclosed Hangar Compartment (paved floor, waterproof roof, completely enclosed side walls, and lockable doors. Sufficient for one single engine airplane
- End Compartment/Oversized Enclosed Hangar (same as enclosed compartment, but either located at the end of the building or specifically designed larger for multi-engine airplanes.
- Corporate hangar. (Large enclosed hangar capable of accommodating several aircraft in a single hangar not private space separated by walls.
