

Self-Serve 24/7: Phillips 66 Aviation Card

If you have (and use) a Phillips 66 Aviation Card, you will receive an additional nickel discount on the price of fuel at Perry-Houston County Airport. In addition, the Phillips credit card offers an additional 10¢ per gallon (with 45 gallons or more per month) rebate for the first 90 days and a 5¢ per gallon rebate after that (details on the Phillips 66 website). If you do not have a Phillips 66 Aviation card, apply at phillips66aviation.com. Scroll down a couple of pages on their website and apply for the AvCard.
