

PERRY-HOUSTON COUNTY AIRPORT  
UPDATE—JANUARY 2019

# January

## "New" Crew Cars

Thanks to our county commissioners and particularly Chairman Stalnaker, the Perry-Houston County Airport has a couple of low-mileage crew cars and a maintenance truck at the airport.

Need a storage shelf in your hangar? Free to a good home! Check with us at the terminal. 10'X6'X18"

## Airport Weather On Your Home

### Computer/TV

On a newly installed large screen TV in the Perry-Houston County terminal building the current weather is displayed. You can view this same screen on your home computer or 'smart' TV. Follow the steps below to view the current weather: (1) Browse to [www.weatherlink.com](http://www.weatherlink.com); (2) log in as *perryairport* and (3) use password *111111*.
