

200 MYRTLE FIELD ROAD, PERRY, GA 31069

PERRY-HOUSTON COUNTY AIRPORT OCTOBER 2018

UPDATE—

PLEASE BE CAUTIOUS OF UNUSUAL TRAFFIC THIS MONTH!

TRAFFIC PATTERN ALTITUDE AT PERRY-HOUSTON COUNTY AIRPORT (1418' MSL)

The FAA has increased the pattern altitude at Perry-Houston County Airport to comply with AC (Advisory Circular) 90-66B, section 11.4 that states: It is recommended that airplanes observe a 1,000 foot above ground level (AGL) traffic pattern altitude. Large and turbine-powered airplanes should enter the traffic pattern at an altitude of 1,500 feet AGL or 500 feet above the established pattern altitude. Ultralight aircraft should operate no higher than 500 feet below the powered aircraft pattern altitude. A pilot may vary the size of the traffic pattern depending on the aircraft's performance characteristics. So the recommended pattern altitude at PXE is now 1418 feet MSL.

Welcome to Hannah Holton

A PXE welcome to Hanna Holcomb, our new line operator. Hanna has time in a Cessna 152 and has grown up with an interest in aviation. Come by the Perry-Houston County Airport on Mondays or Wednesdays and say "Hello".

CHINOOKS VISIT PERRY-HOUSTON COUNTY AIRPORT

The Boeing CH-47 **Chinook** is an American twin-engined, tandem rotor, heavy-lift helicopter capable of delivering 55 passengers or five tons of cargo. Top speed of the Chinook is approximately 200 mph, making it the world's fastest military helicopter. Two of the 'copters spent 3 nights on exercises near PXE, refueling each night.

Special Points of Interest

- Lease renewal
- New pattern altitude
- Chinooks visit PXE
- New line operator

*****OCTOBER IS HERE*****

Current leases on airport hangars must be renewed this month. To maintain occupancy, a copy of your logbook entry showing airworthiness certification for the hangared aircraft and a current lease agreement is required. Also, be aware that on October 1 hangar rental on closed hangars increased from \$175 to \$200, oversized hangars from \$195 to \$225, and open T-hangars from \$85 to \$100. The fall season is a great time to spruce up your hangar. If you have any hangar issues that we at PXE need to be aware of, please let us know as soon as possible.
